Insurance information is also available on the DFS website, www.dfs.ny.gov.

HURRICANE
SANDY

L.I. HURRICANE SANDY ASSISTANCE

Do you need help as a result of Hurricane Sandy? You may qualify to sign up with a Disaster Case Management program serving the Long Island region. Disaster Case Managers provide individual assistance designed to connect people to and navigate through the various public and private systems that are in place to help resolve your disaster-related unmet needs caused by the hurricane. Disaster case management teams will reach out to people in impacted areas of Nassau and Suffolk counties, assess their needs, develop individual recovery plans, and walk with their clients on their journey toward renewed stability.

Please contact one of the agencies below for more information on disaster case management or to make an appointment.

► F.E.G.S. Health & Human Services 516.496.7550 ext. 6

► Catholic Charities 631.608.8882 or 631.608.8883

Long Islanders affected by Hurricane Sandy are encouraged to speak with a Disaster Case Manager who will help ensure that all appropriate services are in place. The United Way of Long Island and the Health & Welfare Council are partnering to coordinate the Hurricane Sandy Unmet Needs Roundtable. The role of a Roundtable is to provide financial aid to eligible disaster survivors who continue to have disaster-related unmet needs once they have exhausted all other available resources. Starting in February, the Unmet Needs Roundtable will begin to hear cases for assistance presented by Disaster Case Managers. Unmet needs could include, but are not limited to, assistance toward

- ⌚ rent/mortgage,
- ⌚ utility,
- ⌚ car/home repair,
- ⌚ household goods,
- ⌚ job search,
- ⌚ child care, etc.

You must be working with a Disaster Case Manager in order to access the Unmet Needs Roundtable – so register NOW.
